

Licence for work with asbestos insulation or asbestos coating or asbestos insulating board

Licence number **4050604953**

The Health and Safety Executive, in pursuance of the powers conferred on it by Regulation 4 of the Asbestos (Licensing) Regulations 1983, licenses

**BAGNALL (UK) LIMITED
UNIT 8 ASHER COURT
LYNCASTLE WAY
BARLEYCASTLE TRADING ESTATE
APPLETON
WARRINGTON
CHESHIRE
WA4 4ST**

("the licensee")

to undertake work with asbestos insulation or asbestos coating or asbestos insulating board subject to the conditions below and to any other conditions specified in a Schedule to this licence. The licence is granted from **25 February 2006** and shall remain valid until **24 February 2009** unless revoked in writing by an authorised Person.

CONDITIONS

1. This licence (including any Schedule), or a copy thereof, should be made available on request by the licensee for inspection by any person to whom the licensee submits a tender or quotation for work with asbestos insulation or asbestos coating or asbestos insulating board, and shall be available for inspection at all worksites. A copy of the licence shall accompany each notification required by Condition 2.
2. The licensee shall give notice in writing of the work to the appropriate HSE or local authority office at least 14 days before the work is commenced, or such other period as the authority will allow. The notice shall specify the type of work to be carried out, the likely duration of the work, the address of the premises at which the work is to be carried out and the date of commencement of the work activity. The enforcing authority must be informed in writing as soon as possible if this information changes. This condition will not apply to work carried out under regulation 3(2)(a) of the Asbestos (Licensing) Regulations 1983 as amended or when the licensee hires out employees (at operative level) to other licensees.
3. The notice of work required by Condition 2 above shall include:
 - a) a suitable and sufficient written statement of the method of work to be used;
 - b) a suitable and sufficient written specification for the equipment for the protection and decontamination of those engaged in asbestos work, and also for the protection of other persons, as appropriate to your work.
